FOI Request dated **02/05/2023** as follows –

Please could you answer the following questions under the Freedom of Information act
The name of the Enterprise Resource Planning (ERP) system used to support the following areas to include the date of purchase

An Enterprise Resource Planning (ERP) system is a software system that is designed to integrate and automate a wide range of business processes and operations across different functional areas of an organization.

Area	*Enterprise Resource Planning (ERP) - Name*	*Date of purchase*
Core financials (GL, AP, AR, FA)		
Reporting and BI		
Planning, Budgeting and Forecasting, Financial Planning and Analysis		
Procurement		
Operational Asset Management/Enterprise Asset Management		
Strategic Asset Management		
Payroll and timesheets		
Human Resource Management/Human Capital Management/Talent Management		
Student Management/Student Administration		

Further clarity - My particular questions is across the above systems do you currently use Technology One as an EPR?"

<u>Response</u>

We do not use Technology One as an ERP (or for any of the individual functions listed).
